Year 2 —RE Overview

Topic— Islam

Things to remember— Why do Muslims believe it is important to obey God?

In this unit pupils will examine Islamic beliefs and practices linked to prayer. Opportunities are provided for pupils to explore the significance of prayer as one of the Five Pillars of Islam and to consider the purpose of prayer for religious people.

Within this, they will discuss the importance of rituals and how these might unite communities and give a sense of order, security and belonging to individuals.

Children should have opportunities to reflect on the value of making time for those things that are important to us – for religious people this may be God, but for others it may be the family and friends. Making time is a way of showing that we are thankful to have these people in our lives.
