Year 3 —RE Overview

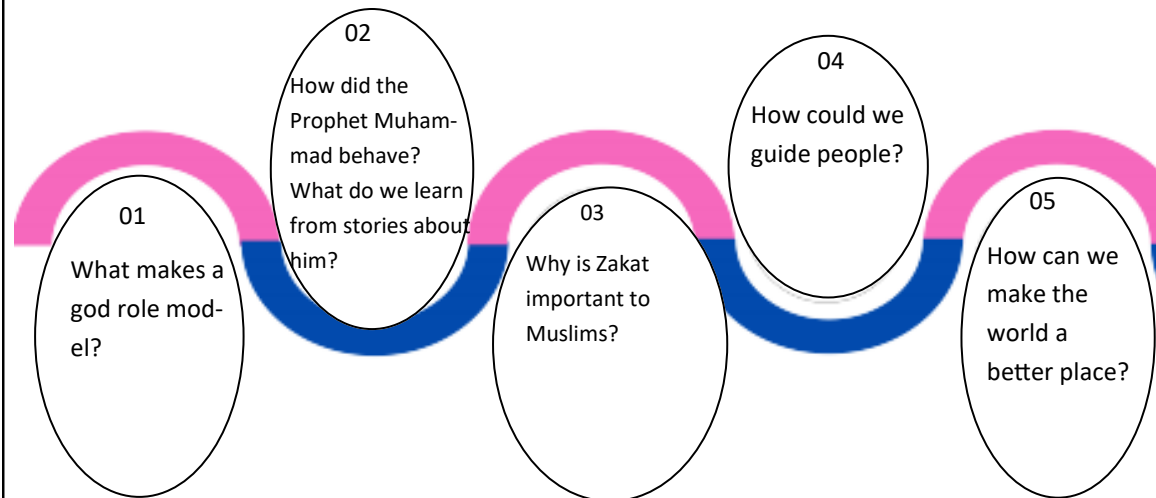

Topic— Islam

Things to remember— Why is the Prophet Muhammad an example for Muslims?

This unit enables pupils to explore and examine the origins of Islam. The focus is on founders and leaders, using stories and teachings to identify how the values contained within them can inspire and influence a believer today. Pupils should develop an understanding of why Muhammad is seen as a role model to Muslims and should have a basic understanding of the how his example influences a Muslim life. The experiences of the life of the prophet are directly linked with the treatment of other people, in this unit this should be explored through acts of charity. Students should be able to explain the third pillar of Islam (Zakat) and why it is an obligatory act (one of the Five Pillars). Pupils should have opportunities to discuss any charitable acts or events they have been involved in and why they believe it is important to help others. Pupils should discuss their own values and link these with role models in their own lives, explaining how/why some people have inspired them.
